**Soft Skills:** Customer Service, Cross-functional Collaboration, Team Leadership & Training, Project Management, Problem Solving, Organization, Creativity, Strong Work-Ethic

## PROFESSIONAL EXPERIENCE

### Freelance, Remote

2020 – Present

#### Full-Stack Developer

Develop and design web applications and websites. Including designing user interactions and wireframing; developing front-end architecture, back-end servers and databases for website functionality; and coding for cross-platform optimization.

- **Zollege:** Currently working on an 8 week contract with a small team of developers building an online job board geared toward graduates of the participating school's Medical Assistant programs. (Node, Express, MongoDB, Heroku, React)
- **Personal Project, "Seymor":** Developed a full-stack web application for learning about and monitoring houseplant care. (Node, Express, React, AWS, MySQL, HTML, CSS, Vercel and Material UI)
- **Tapestry Dance Company:** Created a virtual class platform, customized the company's Wixsite and integrated 3rd party services for better User Experience and trained staff on technologies to manage site and database on their own. (User Experience, Design, CSS, Javascript)

### Tapestry Dance, Austin, TX

2019 – June 2021

#### Systems Manager / Principal Dancer

Engage with a team of fellow dancers under artistic director to develop and present full-length productions. Serve as Systems Manager, overseeing the studio management platform, solving any tech related issues, maintaining the company website and administering the client email database to ensure compliance with CAN-SPAN standards.

- Drove conversion of in-person academy program to customized online platform due to COVID-19 pandemic, that enabled 94% of personnel to stay on payroll.
- Mitigated need to recruit new team members by performing dual roles in organizational operations with projected annual savings of \$50K.

### Contract: Various Dance Studios, Colorado, Texas, NYC

2008 – 2020

#### Company Manager, Department Manager, Instructor

Serve as instructor at various dance studios, festivals, and workshops and as founder and artistic director of her own dance company, Rocky Mountain Rhythm.

- The driving force behind the growth of Colorado's tap dance community and the establishment and ongoing success of the state's longest-running professional tap dance company.
- Increased monthly registration profits by over 30% and optimized client retention.
